"Corralling Friends for Wichita Falls"

The Mavericks organization was established to promote the city of Wichita Falls; to promote the continuance of outdoor "Chuck Wagon" style cooking; and to honor and aid persons and organizations which have been, or will be, beneficial to the City of Wichita Falls.

During a calendar year, The Mavericks conduct various official functions to add a true taste of Texas wherever their Chuck Wagon goes. With tender, juicy ribs prepared just like they were in the good ole' days, the slow-smoked meat falls right off the bone. They specialize in tangy ranch style beans, buttery corn on the cob, and creamy fresh cole slaw.

The Maverick western swing band will play for your entertainment.

Appetizers will feature the famed red soft tacos from Casa Manana, which is celebrating their 75th year in business. These unique red corn tortilla tacos are dipped in a wine sauce to soften the tortilla. A local favorite!

Following dinner, mosey over for a cupcake by Sweet 1020 at the Ganache Bakery located in the original Zales Jewelry Store on Eighth Street. Then head across the street to OG Cellars in the Holt Hotel for a wine tasting, the perfect way to end your evening. Not ready to stop? The Half Pint Taproom at 817 Ohio has a plethora of craft beers on tap while a stroll down to the Wichita Brewery at 701 Indiana features their Downshift beer.
