**Afternoon Session 1:00 pm – 3:00 pm**

**\*Lunch will be provided from 11:30–1:00 by MPEC Catering, which is included in your registration fee\***

The Oil Information Library is proud to host the staff from The University of Texas – Bureau of Economic Geology for a presentation on the “Mixed Carbonate - Sandstone Reservoir Systems of the Strawn Group with a primary focus on North Central and West Central Texas.”

The distinguished Dr. Peter Flaig, Dr. Lucy Ko, Kelly Hattori and accompanying staff will be presenting a fresh and updated evaluation of these amazing reservoirs, complete with newly acquired cores and well data.

The presentation will be an extremely valuable resource to those looking to enhance their exploration and production practices regarding this major hydrocarbon reservoir in our area.

**Registration Fee: \$125.00 per attendee**
